FUCHS* STYLE REPLICA WHEELS

[911, 911 widebody, 930, 964]

Zuffenhaus Products is pleased to offer our faithfully scaled reproduction of the original Fuchs* wheel for your Porsche.

Take advantage of modern tire selection while maintaining the traditional Stuttgart aesthetic for your Porsche* automobile. Made like our RSR/917 and 15" Fuchs-style wheels, these 3-piece wheels have a blind-fastened forged center and retain the classic good looks of the originals they pay tribute to.

Background image is actual back side contour of wheel center.

The first thing I thought as I picked up TWO boxes was 'wow these are light!'
The wheels are a work of art."

WEIGHING IN AT JUST 15.5 POUNDS [17x9]

The Zuffenhaus Fuchs-style wheel addresses the market's demand for quality constructed, reasonably priced, light-weight and durable 17" diameter original style wheels for 911 models.

Engineered and certified to SAE J328 specifications, test results of the 17" Fuchs-style Wheel by Standard Testing Laboratories exceeded the SAE spec at 2174lbs @ 100,000 cycles.
