Blue colored dates indicate observed holidays. Collection services will operate on a one-day delay with Friday customers receiving service on Saturday.

PROPERLY PREPARE RECYCLABLES FOR COLLECTION:

- Rinse and remove all food/liquid residue from recyclable items. Remove caps/lids from bottles and containers and place them in the garbage cart.
 - Place all recyclables loosely in your rollout cart. Do not place recyclables in plastic bags.
 - Cut (not fold) cardboard into sections and place it in the recycling cart.
- Place the recycling cart within 6 feet of the curb and at least 3 feet away from other collection items (garbage cart, yard waste and bulky items) and obstacles such as mailboxes, vehicles, telephone poles, etc. **Do not block sidewalks.**
- Place the recycling rollout cart at the curb no later than 6:30 am on your scheduled collection day/week and remove it no later than midnight that same day.
